

Submission Guidelines — Assignment 1

Textual Answers

- Submit all your textual answers in a [single .pdf](#) or [.md](#) file
- Make sure they are well-structured. For example:
 - Question 1 Frequent Itemsets:
 - a: ...
 - b: ...
 - Question 2 (k-means)
 - ...
 - Question 3: Practical exercise on Clustering
 - ...
 - Question 4: Practical exercise on FI and AR
 - ...

Coding Answers

- Submit only the [.ipynb](#) files
- For the answers that needed to be answered or summarised, **put them into your textual answers file as described above**, and indicate your solutions in your code with [comments](#)

Sorting the files

You final submitted files would include:

- all_answers.pdf/.md

- clustering.ipynb
- AR.ipynb

Submit all these three files with a single .zip pack.
